

## Dinghy Racer use of Sail Event

### Use of Sailevent

Tudor sailing club will be using "sailevent" to provide a web based eTally system for our summer race series. This replaces the paper sign-on sheet. This is being done to avoid Covid19 problems that would exist with a paper-based system.

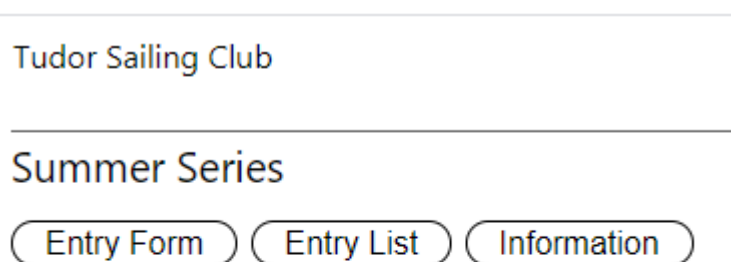

To use the system :

- 1) First Enter the series by completing the "Entry Form"
- 2) Register with SailEvent so as to receive the prompting emails and control your information
- 3) Respond to the prompting emails when you receive them shortly before / after each race.

### To Enter and Register:

To register for eTally you go to web address <https://sailevent.net/enter/TUDOR>

You should see

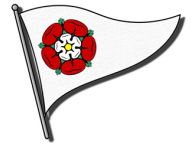

Select 'Entry Form' and fill in the form. If you provide an email address then on race day you will receive an eTally email to allow you to eTally. You will also have the option to sign up to "sailevent". If you sign up to sailevent you will also be able to eTally from your personal account.

### Email confirmations before / after the race

The email you receive will look like this:-

## Dinghy Racer use of Sail Event

Are you racing with us today?

SailEvent <donotreply@sailevent.net>  
To [REDACTED]
