Sailing Area

Safety Boats

Environment

	Current (Chimet)	Forecast (XC Weather)
Wind Direction		
Wind Speed		
Visibility		
HW Time		
HW Height		
Dredger movements		

	Cox	Crew
RIB (Nemo)		
RIB (Marlin)		
Dory		
Pioner		

Summary of planned activities:

Other water activities in vicinity:

Any mitigation steps taken (e.g. instructed to reef; experienced sailors only)

End of session report – summary of incidents, accidents and damage to equipment (ensure that the relevant officer is informed by email)

(Enter N/A if none – PTO if needed)

In my opinion the risks involved today are reasonable for the planned activity
